

JADRANSKI SAJAM BUDVA

CIVIL ENGINEERING FAIR

BUDVA, 24TH - 28TH SEPTEMBER 2008.

Dear Sirs,

we kindly invite you to participate at

30th Jubilee CIVIL ENGINEERING FAIR

that will be held from 24th till 28th September 2008. in Budva.

For 30 years of existence, this Fair has been confirmed as important business event in Montenegro and in the region. This event, at one place, assembles domestic and international leaders in manufacturing civil engineering materials, equipment, machines and tools. Their programs are presented by: companies for making software, planning, engineering, works performing and commerce. At the Fair, the editors of professional literature and magazines from the civil engineering field are present.

Civil Engineering Fair is enriched every year with new events and topical units. In that manner, participants and visitors have occasion to meet with new products and technical solutions in engineering.

The investment momentum in the region, especially, in Montenegro, induces demands and provides high commercial effects at this event.

During the Fair many business meetings, workshops, matchmaking programs will be organized in order to create favorable conditions and to stimulate commercial activities.

We expect you at this year's Civil Engineering Fair and wish you successful participation and good business outcome.

Please do not hesitate to contact us for any additional details on phones: 00382 33 410 – 413, 410 – 425.

Best regards,

Rajko Bujković
